

WEEKLY NEWSLETTER

8th March 2019

This week in the Nest we have been exploring play dough. We added herbs and dry pasta and used textured rolling pins to create patterns.

Some of the children in the Den took a walk to the woods this week. In the spirit of World Book Day they went on a Bear Hunt! They enjoyed acting out the story, and luckily, we didn't come across any bears!

The Hive children enjoyed dressing up and listening to stories for World Book Day. Look at Supertato!
